VALLÉE D'AOSTE

CROTTA DE LA MEURDZIE di Vevey Marziano

Vallée d'Aoste Blanc de Morgex et de La Salle DOC

name: Valle d'Aoste Blanc de Morgex et de La Salle DOP

production area: Town of Morgex

surface: 6,000 mq

vine training technique: low pergola

exposure to sunlight: north

year of planting: 1960-1990

harvest time: late September, hand-picking in small crates

grape varieties: 100% Priè Blanc

vinification: with destemmed grapes, off-the-skins

maturation: in steel vats

wine descriptors and food pairing suggestions:

a dry white wine, produced in Europe's highest vineyards,
near the town of Morgex after which it is named.

Light straw-yellow colored verging on pale green.

A fragrant bouquet of soft fruit.

Dry on the palate with a slight sourish note.

total production: 5,000 bottles
